Dear Parents

Parking / Turning by School Lane

I have received several comments recently from concerned parents that there have been one or two 'near misses' with pedestrians and vehicles parking or turning in front of the school gates.

In the past we have agreed that if you have to drive to school, it is safer to park your vehicle in Throop Lane in the small parking bay when you drop your children off for school. The lane at the side of the school is really only suitable for pedestrian access at busy times at the start and end of the day. White lines marking a pedestrian route will be appearing soon.

In our efforts to keep all children safe I would like to thank you in anticipation of your full cooperation in this matter.

On another note, a reminder that the school opens at 8:40am each day and that Mr Higgins organised 'Wake & Shake' at 8:50am. It is helpful if all children are in school by this time to start the day well. On the odd occasion if you arrive late it is helpful if you bring your child to the school office rather than the classroom as we need to register your child's attendance.

Thank you once again.

Yours sincerely

Bernie Green
Head Teacher
