09 July 2008

Summer Term 2008 (4)

Dear Parents/Guardians

Firstly, we welcome our new children and their families who have recently moved into the area. We hope that you will be very happy in your new homes and that you make many new friends.

School Fete ~ 2pm on Saturday 5th July 2008

The Friends of the School have worked incredibly hard to ensure that this Saturday's Fete goes well, therefore I do hope that you will all attend to support their efforts. The money will once again be used to provide a theatre trip at Christmas for all of the children and/or other events that we can not provide from the School budget. We are very grateful to this dedicated team and to all of you for donating items which we can sell and helping on the stalls.

Bags2School

The joint fundraiser with Sticky Fingers raised approximately £127, £63.56 of which has been given to the School. Many thanks for your support.

Uniform

A reminder to please name all your child's uniform as we are repeatedly finding sweatshirts and other items left around School.

Music Extravaganza ~ 6pm on Wednesday 9th July

Our Music Extravaganza evening takes place at 6pm on Wednesday 9th July. Please join us for this wonderful evening to celebrate our talented musicians and singers.

Hot School Meals

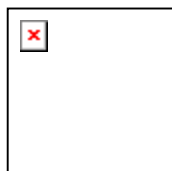

Forms to take us to the end of term will be available from today. Forms for the beginning of September will be sent with a new menu on Friday 11th July, to avoid confusion. Please see Debbie if you are at all unsure.

Thank You

Thank you so much to all who returned the parent questionnaire recently. It is really helpful for our School development to receive your views. The Governing Body have fully analysed all of the responses and will be presenting the outcomes in the newsletter before the end of term.

Traffic Problems

Unfortunately we had a very "near miss" accident earlier in the week with one of our pupils, on the road that leads to Thales. Increasingly we are concerned because of the parking at "drop off" and "pick up" times.

Please would everyone avoid parking/turning in areas that will cause difficulties or poor visibility for pedestrians. I know that, like us, you want to keep the children safe, therefore it is better to park further away or walk, rather than risk injury to a child.

Year 5 Enrichment

A reminder that Year 5 will be experiencing their Enrichment Days at King Arthurs on 9th or 10th July.

Looking forward to a 'dry day' for the Fete.

With best wishes.

Yours sincerely

Mrs Bernie Green
