Dear Parents/Guardians

Drugs/Internet Safety Evening at King Arthur's

I hope everyone who attended the evening at King Arthur's found it very informative.

Garden/Environmental Area

Thank you to the dedicated team of parents who have supported the development of our garden/environmental area along with staff from the Well Bean Project. Your help has been very much appreciated.

Reading

A reminder that it is very useful to your child's reading development if you hear them read for a few minutes each day to support the reading they do at school.

Water in Bottles

As a healthy school, we encourage children to drink plenty of water each day. Please ensure that only water is put in their water containers, and not squash or juice etc, as anything other than water is not good for their teeth or their attention span. Many squashes and cordials contain colourings and "E" numbers which are known to adversely affect childrens' behaviour.

We would appreciate your support in this matter.

Please let me know if you need further clarification on any of the points mentioned.

Yours sincerely

Bernie Green
Head teacher
