Newsletter ~ Spring 2010 (03)

Dear Parent/Carer,

A very short but important newsletter today to say a **HUGE THANK YOU** for your fantastic support with the Haiti fundraising efforts on Monday. We raised nearly **£400** which is wonderful for a school of our size. Let's now hope that it will help those in need as much as possible. I am now aware of the potential in this school and will expect good results whenever we fundraise!

CLUBS

I understand that some children have been upset because they haven't been allotted to their chosen clubs. I am just learning the systems and now realise that it is extremely difficult to sort as there are so many children for relatively few places. I will look into the procedure for next time and see if we can make it a little "fairer" but cannot make any promises as it is already clear to me that we cannot make all 120 children happy. Thank you for your understanding and patience in this matter.

LOST PROPERTY

There are a few items floating around at present and it has now been decided to have a box placed by the fire exit door in the hall every morning so that you can have a look through if your child has misplaced anything. The answer to all of this is of course to mark everything clearly then it can all be handed to the right child straight away! Please check through all their clothes to make sure they are labelled. Thank you.

SCHOOL OF DANCE

I have been asked by Louise Ray to let all my parents know of her dancing school which is in Castle Cary. She is an experienced teacher and can offer ballet, modern and tap dancing. This is an awareness raising note as she believes there are many people in this area who are unaware of such a school in the area. I will put up a poster in the school for your information.

BUILDING WORK AT THALES

Thales kindly contacted us to say that, due to building work being carried out on their site next week (from Monday 25th January), there will be heavy lorries travelling past the school gate. May I ask you to be extra vigilant when bringing and fetching your children from the school.

Once again, thank you for the fantastic amount raised for Haiti.

Yours sincerely,

Helen Townson

Head teacher
