SPONSORED CYCLE DAY

As you are all aware this event is taking place on **Saturday May 22nd**. Many thanks to all of you who are bravely going to tackle the route and I hope that you will have your supporters in school ready to congratulate you on your return! Whilst

the riders are taking part I have managed to organise 2 professional cycling proficiency trainers to come and run a “taster” session on cycling safety. They will do 2 X 1 hour sessions in the school playground and have agreed to do a lower KS2 group (Yrs 3 and 4) and an upper KS2 group (Years 5 and 6). If there can be an adult to help they will allow 14 children in each group. I think this is an excellent opportunity for your children to gain an awareness of road and bike safety which is something I am sure you are very concerned about. If you want your child to take part in one of these sessions please fill in the slip below. It will be a case of first come first served. Mr & Mrs. Earle-Marsh have also agreed to do a full weekend’s training with a group for the complete cycling proficiency test. This date has still to be arranged but I will let you know as soon as possible when that will be.

BAGS FOR SCHOOLS

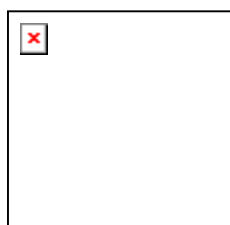

The bags for all your unwanted clothes and goods have now arrived and will be going out to you in the near future with a letter from the PTA. If you know of other people who need a bag in your neighbourhood do come and get more from the office. Thank you.

I hope you have a good bank holiday weekend.

Yours sincerely,

Helen Townson
