Newsletter ~ Autumn 2011 (10)

Dear Parent/Carer,

Some news and information this week and I'm sure with the festivities beginning now this won't be the last letter before the end of term!

CLUBS

There will be **NO** clubs now until next term when a new timetable will be given to you. It is becoming very busy now for all staff and it is much easier to cancel all the clubs than have one or two taking place. There are 2 home matches taking place on Tuesday and Wednesday if you want to stay and support.

CHRISTMAS PARTY FOOD LIST

Please could you sign up for an item of food for the Christmas Parties on December 15th. The list will be up in the hall by Monday evening. Thank you very much.

BOOK FAIR

We had a very successful Book Week last week and the assembly showed us all the lovely work which was achieved by the children. The Book Fair was also well attended and I can report that over £500 was taken in the week, so thank you very much. The school will benefit a little from those proceeds and we will be able to buy more books for the library.

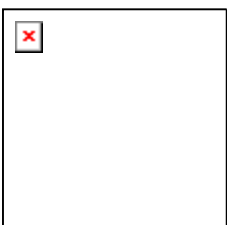

CARYMORE AWARD

This year we were highly commended by Carymore for our book we produced for the "Dig it, Grow it, Eat it" campaign. As a consequence 4 children,(from the Eco Team) Mrs Laurie and myself attended the award day at the centre this week where we had a workshop, the award given to us and a lovely lunch!

GUITAR LESSONS

I know that a few parents were upset that the guitar teacher retired last term. I have now finally found another one who is happy to come in to teach our children. He has excellent references and if you are interested please let myself or the office know.

ANGELS

Thank you all for encouraging your children to make the lovely angels which are now making the hall look wonderful. I hope you are now actively trying to sell as many tickets as possible for the raffle for the Xmas Bazaar as there are some really good prizes this year.

Also don't forget the Infant play which will be taking place next week.

Yours sincerely,

Helen Townson
